

Mandatory Equipment

- CSA Certified Helmet
- Ringette mask ([see note below](#))
- Approved Neck Protector
- Shoulder Pads ([optional at U16 and U19 Levels](#))
- Elbow Pads
- Protective Gloves
- Ringette girdle, ringette pants or jill, hockey pants & hockey socks. Must provide protection of the tailbone and hips
- Shin Pads
- Hockey Skates (no picks allowed)
- Ringette Stick (measure length when on skates, should come just up to the armpit)
- Practice Jersey
- Equipment bag
- Squeezable water bottle with long spout

Note: *The wiring on the face shield of a Ringette mask differs from that of a hockey mask. In Ringette the wires are spaced closer together and look like a series of triangles in a grid. This is to prevent the tip of the stick from going through. A hockey mask is a square grid.*

Optional Equipment

- Mouth Guard (recommended)
- “Skull cap” to help keep hair out of face
